

The Loops "Love to Give" Framework

Gift knitting isn't about working harder. It's about working smarter!

Use this template to do an honest calculation of your stitching time between now and Christmas, then figure out how many projects you can reasonably make.

Step 1: I can comfortably commit to an average of _____ hours of stitching/week.

Step 2: I have _____ weeks left between now and Christmas

Step 3: Multiple Step 1 X Step 2 = _____ This is your total stitching time budget!

Step 4: On average, I will commit _____ hours to making each gift.

Step 5: Divide your answer in Step 3 by your answer in Step 4 = _____ .

This is the total number of projects you can comfortably make!
